## Swim Pools To Be Run By County

An agreement providing for county operation of three high school swimming pools in Redondo and Manhattan Beach has been approved, Supervisor Burton W. Chace said today.

The Board of Supervisors Tuesday voted to have the Department of County Parks and Recreation operate the pools at Aviation, Mira Costa, and Redondo High Schools during the swimming season.

The agreement calls for use of the pools by the public, as well as by community groups such as swim clubs, during non-public swim periods.

"Swimming pool fees for this program last season brought \$26,127 into the county general fund, Chace said.

## Philippine Missionaries Will Speak

The Rev. and Mrs. Delbert Rice, who served as missionaries in the Philippines for many years, will be guest speakers Wednesday, June 5, 7:30 p.m., at the Central Evangelical United Brethren Church.

Mrs. Elvia Scotill, president of the woman's society, will conduct the meeting.

A potluck supper will be served in the Guild Hall at 6:30 p.m.

to divers throughout the area to join in the search for the bodies of his 24-year-old son, Lonnie, and his brother-in-law, Ray Barnett.

The two, along with Crance's mother-in-law, Mrs. Harriet Rosenthal, drowned when a boat in which they were passengers struck a submerged object some 150 yards off shore and sank.

Mrs. Rosenthal's body was recovered shortly after the accident, but a five-day search failed to turn up the bodies of Crance's son and of Barnett.

In March, diver Dick Anderson of Los Angeles made an unsuccessful attempt to locate the bodies.

"We desperately need the help of many divers with all the experience they can bring to our joint effort," Crance told the Press-Herald.

He said divers who wish to aid in the project can write to him at 20011 Bellemare Ave., Torrance 90503.
